Due to Stage-4 lockdown being extended for a further 21 days, see below the following announcements regarding changes for the upcoming fortnight.

As per the [announcement from Basketball Victoria](#), we remain under the RED-0 reactivation status. All programs, training and competitions will be postponed until at least Friday 23 September. The venue will also be closed during this time and office staff are working on limited hours.

Domestic Competitions

The intent is for both junior and senior domestic competitions to resume and complete the Winter season once we return to court. This may mean a delay of the start of the Summer season until mid-late November. Once a more clear return date is available we will formulate a calendar for the remainder of 2021.

All weekly programs including Aussie Hoops, Toddler Hoops, Sporting Schools will be cancelled until Term 4. Holiday programs for Week 1 (20-24 September) will also be cancelled.

Training

All VJBL and BigV training will be cancelled until Sunday 26 September. Your domestic club will advise regarding the resumption of junior domestic training.

VJBL & BigV Competition

Both the VJBL and BigV seasons have been cancelled. Plans for tryouts and preseason will be announced once return dates are known.
